

Introduction

Welcome to Mantel Global Educational Services, an online Academy. Here, Nigerian students can earn an international high school diploma from Ontario in Canada while in Nigeria.

We have built a partnership with a prestigious high schools in Canada, to offer online learning to Nigerian students. Mantel Global Educational Services is fully set up to offer Nigerian students a suite of services that provides a higher value than other education hubs.

Students registered through us will have access to a suite of services including, but not limited to exactly the same materials, lessons, curriculum, grading system and support that our partner institution offers in Canada.

Students will have online access to their teachers, and the facilitators at Mantels' learning center. Together, these provide our students with the same opportunities and education as their counterparts in Canada.

Each course is taught by a Canadian professional certified teacher, who will be the main point of contact to the student. Our teachers offer a holistic approach, encouraging students to demonstrate subject competency not only through final examinations, but also in communication and real world case-studies, debates and presentations. Lessons are focused on interaction, where students are encouraged to debate with their teachers to learn content. These Canadian teachers and the Nigerian based counterparts offer a clear and open line of communication to get the best results for all registered students.

To add to that, all our students will receive an education number from the Ontario Ministry of Education, the government that oversees education on Ontario, Canada.

Through Mantel Global Education Services, Nigerian students can obtain the prestigious Ontario Secondary School Diploma within ten months.

Start with us and proceed to achieve academic excellence anywhere in the world.

To get started, prospective students must fill in the application form we have provided.

Benefits

- Get a globally recognized Canadian high school education while in Nigeria.
- Our OSSD online program puts you in a better position to meet academic criteria in any competitive university program in Canada and globally.
- Prime opportunity to gain admission into universities in Canada, the U.K, U.S.A and other parts of the world. Having obtained an OSSD, neither International English Language Testing System (IELTS) nor Test of English as a Foreign Language (TOEFL) will be required for university admission.
- Our certified teacher will use many interactive methods to teach content, problems sets, and activities to give you the academic skills you need to succeed in higher education.
- To keep you on track for your future university career, our guidance Counseling department will help you develop career objectives, track your progress throughout the duration of the program, and provide guidance and support to enable you succeed.
- The OSSD curriculum gives our students the opportunity to be recognized as Canadian students upon registration.
- Gives students the opportunity to gain scholarship through academic excellence.
- Our students will have an edge over their counterparts when applying for international student visas.
- The international Award for Young People Nigeria certification come along with the diploma

OUR PATHWAY

Ontario Secondary School Diploma (OSSD)

The Ontario Secondary School Diploma (OSSD) is a certificate awarded to students in the Canadian Province of Ontario. This diploma certificate is granted to students who complete Ontario Educational Curriculum. It is a Canadian grade 12 pre-University program. The OSSD is one of the top five programs in the world, a sure way of gaining admission into prime universities in Canada, the United Kingdom, the United States and countries around the world.

For a student to be awarded with the an OSSD, he/she must earn a maximum of 30 credits, including 18 compulsory credits and 12 optional credits.

These compulsory credits include but are not limited to English, Mathematics, Science, Arts, and Career Studies. Secondly, candidate who wishes to obtain the OSSD, must take the Ontario Secondary School Literary Test (OSSLT), a standardized test for secondary leavers. The OSSLT is written in March or April as the case may be, it is use to assess students' reading and writing skills.

For more information on the OSSD as well as the OSSLT, kindly visit the website of the Ontario Ministry of Education here: Ontario Ministry of Education or Requirements to Graduate.
